"The Fast Forward 2020 conference was an engaging 2 day powerhouse. With industry experts exchanging ideas and knowledge, providing insights and expertise on the most relevant trending topics in the travel and hospitality segment. I look forward to next year's conference of ILHA and will certainly recommend it to my industry peers."

Gray Shealy - Georgetown University

" The location near Washington DC--what I consider to be the world capital of hospitality--was a perfect .. an innovative dialog to unite key players in the industry. The energy of the entrepreneurial spirit, and engagement of unique ideas and eager and diverse presenters was stimulating. "
