Professional Summary

Daniel H. Lesser, Co-Founder, President, & CEO of LW Hospitality Advisors has more than forty five years of specialized experience worldwide in hospitality related: real estate appraisals, economic feasibility evaluations, investment counseling, asset management, receivership, and transactional services of hotels, resorts, conference centers, casinos, mixed use facilities, spa & wellness properties, and timeshare/fractional ownership properties. Mr. Lesser is also a Co-Founder and Managing Partner of Lodging Analytics Research & Consulting (LARC), focusing on highly correlated predictive analytics for the lodging industry.

Mr. Lesser offers a 360-degree, cross-functional and multi-disciplinary lodging industry perspective. Proffering innovation and strategy, Mr. Lesser serves as a third-party advisor and independent expert witness, neutral arbitrator, asset manager, property/business receiver, and as a principal investor, borrower, guarantor, and franchisee. Mr. Lesser provides services to corporate, institutional, municipalities, and individual clients on all facets of hospitality real estate including site evaluation, highest and best use analysis, appraisals for mortgage, acquisition, and portfolio management, workout strategies, operational analysis, property tax assessment appeal evaluations, economic impact studies, market and feasibility analysis, strategic planning, management and/or franchise company selection and contract negotiation, deal structuring, and fairness opinions. Mr. Lesser has served as a Court Appointed Receiver in connection with dozens of hotels throughout the U.S.

An international authority and thought leader with iron clad credibility on the topic of hotel feasibility and property valuation, Mr. Lesser has served as an expert witness under oath through depositions and testimony in court and arbitration hearings in U.S. federal and state courts, and domestic and international arbitrations in connection with a wide variety of matters including: bankruptcy, solvency, valuation analysis, interest rate and plan confirmation feasibility, brand area of protection, condemnation,

construction defect and/or delay damages, ground/property rent reset, management dispute, partnership/joint venture conflict, property tax certiorari, and lodging industry standards, customs and practices to evaluate legal liability.

Mr. Lesser always bases his opinion(s) and/or conclusion(s) on thorough research conducted with an objective perspective. Furthermore, rather than limiting his litigation related engagements to one type of stakeholder, he has been retained by counsel to hotel owners, lenders, investors, brand/management companies and municipalities, thus enhancing his credibility with finders of fact. Mr. Lesser has balanced his practice with service as a neutral panelist in commercial arbitration disputes.

Prior to his hospitality advisory experience, Mr. Lesser held operational and administrative positions with Hilton Hotels Corporation and Eurotels-Switzerland. He is highly sought after to speak at lodging and real estate events, as well as lectures at prestigious institutions of higher education, including American University Washington College of Law, Columbia University, Cornell University, New York University and Pennsylvania State University. Mr. Lesser insights and expertise have been featured across various media platforms, making him a recognized voice in the investment community. He is widely published and quoted in numerous news outlets, financial publications, business, real estate, and hospitality industry periodicals, and has or currently serves as a columnist for HotelNewsNow.com, HotelBusiness.com, GlobeSt.com, and Hotelsmag.com.

Mr. Lesser earned a Bachelor of Science degree in Hotel Administration from Cornell University, and attended the Ecole Hôtelière de Lausanne Switzerland, and Baruch College - City University of New York. Mr. Lesser holds the following professional designations: MAI (Member of the Appraisal Institute), FRICS (Fellow of The Royal Institution of Chartered Surveyors), CRE (Counselor of Real Estate), and CHA (Certified Hotel Administrator). Mr. Lesser is a Certified Part 36 Judiciary Receiver in the State of New York.

Mr. Lesser is a member of and/or has served on numerous committees for the Counselors of Real Estate, the Appraisal Institute, the American Hotel & Motel Association, and the Board of Directors of the New York City Chapter of the Cornell Hotel Society. He is a former Advisory Board member and member of the Fundraising Subcommittee for the New York University Preston Robert Tisch Center for Hospitality, Tourism and Sports Management. Mr. Lesser serves as an advisory board member of Dart Interests. He served as an advisory board member of Mosaic Real Estate Investors, LLC. Mr. Lesser is a member of The Penn State School of Hospitality Management Industry Advisory Board and served as the school's Fall 2015 Walter J. Conti Visiting Professor. He is a founding member of the Lodging Industry Investment Council (LIIC), the hotel industry "think tank." Mr. Lesser is a member of the American Arbitration Association (AAA) Panel of Neutrals. He is an advisory board member of the annual Radical Innovation Award and 1st Service Solutions, Inc. Mr. Lesser served as an Honorary Committee Member of the annual UJA-Federation New York Hotel & Hospitality Division Dinner and was a founding member of the American Israel Public Affairs Committee (AIPAC) Real Estate Division. He has served on the fundraising committee for the Shatterproof Challenge at the 2016 through 2023 Americas Lodging Investment Summit (ALIS). Select Client Testimonials

"I employed Dan Lesser and his team at LW Hospitality Advisors as my valuation experts in connection with a hotly contested confirmation battle involving a chapter 11 plan of reorganization for a large hotel located on Chicago's "Gold Coast." They did a magnificent job preparing strong, highly literate, carefully documented, and well-reasoned appraisal reports. Moreover, Dan's opinions glowingly passed the most rigorous of litigation "tests." In both a lengthy deposition, and two full days of direct and cross-examination on the witness stand in bankruptcy court in Chicago, Dan's expertise, work product, and mettle were tested by a team of some of the best trial lawyers in America. His performance as an expert witness was outstanding. The case settled before the conclusion of trial. I can confidently say, however, that the persuasiveness of Dan's expert report and the authoritative resonance of his testimony greatly contributed to a very favorable outcome for my client. I look forward to working with Dan and his team in the future."

- Neal L. Wolf, Esq., Partner-Business Bankruptcy & Litigation, Hanson Bridgett LLP

"My first encounter with Dan Lesser was more than 10 years ago when he came highly recommended, and I retained him as an expert witness in connection with a landmark hotel condemnation case. Dan's report and subsequent valuation testimony on both direct and cross examination, was thoroughly researched, well presented, and very compelling. He was the lead witness on whom our case relied, and my client ultimately recovered at its highest expectations."

Other of my clients have retained Dan on subsequent matters and I would always choose to litigate a hotel matter with Dan Lesser's involvement."

- Stephen Adler Esq., Retired Co-Founder & Partner, Barron & Adler LLP (Former Mayor of the City of Austin, Texas)

"I have used Dan Lesser for many years for valuation analysis in hotel cases. He always provides a timely, well written and well researched work product and is unflappable in the courtroom. He is very knowledgeable, well prepared and a very polished witness. I want this skill set on my team and always act promptly to get it so that (as happened recently) they don't show up on the other side of a case."

- Lawrence G. McMichael, Chairman, Executive Committee Member, Dilworth Paxson LLP

"Dan, I have attached the arbitration award which we received yesterday afternoon. Insofar as your head-to-head against Opposing Expert is concerned, the score is now Lesser 1, Opposing Expert 0. Of the \$4,127,000 in damages to which Opposing Expert testified, the arbitration panel awarded the following amount: \$0. This is the legal equivalent of a first-round knockout by Lesser of Opposing Expert. A left hook followed by a devastating right uppercut, and on the canvas he went. Way to go Champ! This one has to go on your resume."

- Gino Bulso Esq., Member, Bulso PLC

"Dan Lesser is widely recognized as a premiere hotel valuation expert and a thought leader in the area of property tax. I have engaged Dan's services in connection with numerous hotel property tax matters. My clients want to win, and I know that Dan's work is unassailable, and he never falters when his opinions and conclusions are challenged."

- Frank Ferruggia Esq., Partner, McCarter & English LLP

"We were fortunate to work with Dan Lesser and his team in a very contentious hotel ownership dispute. Dan and his team were identified as go-to experts, and they exceeded expectations at every turn. The level of industry knowledge was unparalleled. But what was most impressive was the proactive and creative thinking from Dan and his team. They approached the matter as partners, and often offered very helpful guidance that we (the lawyers) would not have considered on our own. In short, our case was enhanced greatly by the work and insight of Dan Lesser and his team."

- Scott Ford, Esq., Member / Chair, Litigation Practice, Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C.

"Dan, I am pleased to attach a copy of Judge Greenwood's decision in the Amadeus GML Syracuse matter. We prevailed in our motion for summary judgment. Your expert assistance was essential in obtaining the judgment. It was a pleasure working with you. Here's hoping we are able to work together again in the future."

- Roger A. Raimond – Managing Partner, Leech Tishman Robinson Brog

"I first began to utilize Daniel Lesser's services for Hilton Hotels Corporation several years back with the Tarrytown Hilton Hotel. Dan had come recommended to me through various sources as one of the most notable experts in hotel valuation. Clearly, his resume convinced me of that fact. Dan has also prepared appraisals for me regarding the Waldorf Astoria, The New York Hilton & Towers, the East Brunswick Hilton, and the Short Hills Hilton. He has also aided me in my negotiations at settling the Ad Valorem tax appeal cases emanating from my representation of

these hotels. His expertise in the area, as far as I am concerned, is without equal. It appears from my discussions with other experts representing municipalities that his appraisals almost always represent, in their opinion, a near 100% accurate valuation of the hotel. These other experts have yet, after several years of my negotiating with them, possessed the ability to substantively dispute any of Dan's findings in his reports. I am very reluctant to represent any hotels without Dan at my side. Recently, questions have been raised by a member of the Board of Directors of the Hilton Hotel Corporation, concerning whether or not I am aggressively handling our cases. Quite clearly, I am very confident with these files because of Dan's reports, and more importantly, his skills at negotiating in a forthright manner with the municipalities and their experts. I believe that I can obtain for the hotels through Dan's efforts, substantial tax savings on those hotels that are truly over-assessed. Regarding the hotels that are substantially under-assessed, Dan and I have been quite successful in minimizing the impact of the increase in the tax assessment to the satisfaction of the hotels' general managers and controllers. I have full confidence in bringing to him for his review, any and all hotels that I may represent throughout the country for Ad Valorem tax evaluation purposes."

- John P. Libretti Esq. Scarinci & Hollenbeck, LLC

He brings years of valuable hospitality industry experience that includes background in and extensive knowledge of operations, consulting, appraisal and asset management. In Dan, we have found not only a trusted professional colleague, but a true advocate for us, as well."

- Dr. John W. O'Neill – Professor of Hospitality Management, The Pennsylvania State University School of Hospitality Management

"Over the last 20 + years Dan and his teams have produced independent credible valuation services, always distinguished by uncanny insight into the relationship between statistics and industry momentum."

- Ed Rohling - Senior Vice President-Head of Asset Management North America, Millennium Hotels and Resorts

"Dan Lesser and his associates at LW Hospitality Advisors have a proven record of success. I know firsthand as a client that this reputation is reflective of his hard work, reliability, and exceptional ability to understand and facilitate any kind of hotel study – no matter how complex or challenging."

- Paul Diamond - Principal, Martin-Diamond Properties

"I know and have relied upon Dan Lesser as a confidant and advisor since coming into the business more than 20 years ago. Dan has seen it all, and he has exceptional intuition on a myriad of hotel real estate matters. Additionally, I am appreciative of my friendship with Dan, and his trademark of always being willing to assist when called upon."

- Mark Gordon – Managing Partner, Intrinsic Hotel Capital

"I wanted to express our sincere thanks for your participation in the 12th INSPIRE Luxury Hospitality Conference at the Eden Roc Miami Beach. Your keynote address on "The U.S. Lodging Industry: H2 2023" provided a comprehensive and insightful overview of the current state of the industry. Your expertise in highlighting both the challenges and opportunities within the sector was invaluable to our attendees. The feedback we have received has been overwhelmingly positive, with many attendees praising the depth and clarity of your presentation. Your ability to articulate complex industry trends in an accessible manner not only educated but also inspired us to think more deeply about the future of the lodging industry. Thank you for sharing your expertise and insights with us."

- Sharon Hirschowitz – Global Head of Media & Communications, International Luxury Hotel Association

"As a teacher in our hotel law program, Dan Lesser is the gifted instructor who takes complicated material and crafts precise explanations that law students immediately understand. Dan brings deep intellect and vast experience in the industry, mixed with humor and obvious passion, to provide wisdom and advice. As an advisor, Dan is always available to listen to my dreams,

aspirations, and challenges, and then he offers roadmaps and introductions. The students are lucky to have Dan Lesser in the classroom. I'm lucky to have him as a friend and guide.
